POLLED SHORTHORN

CONGRESS

MARCH 10, 1969

Cooper Arena

COLUMBUS, OHIO

THE STATE OF OHIO
OFFICE OF THE GOVERNOR
STATE HOUSE, COLUMBUS 43215

JAMES A. RHODES
GOVERNOR

January 13, 1968

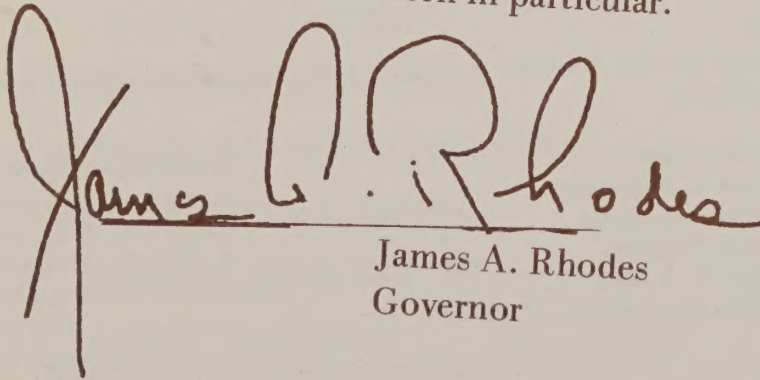

TO THE MEMBERS AND FRIENDS OF THE
AMERICAN SHORTHORN SOCIETY

Greetings:

It is a genuine pleasure, as Governor of the State of Ohio, to extend my official greetings and an invitation to all Polled Shorthorn Breeders to COME TO OHIO for the NATIONAL SHORTHORN CONGRESS SHOW and SALE, March 10, 1969, at the Ohio Exposition Center in Columbus.

Ohio is proud of the history of this fine breed that was made within this state by the early breeders and importers. The achievement of these pioneers can be measured as benefits shared with other beef cattle breeders and stockmen.

The Ohio Polled Shorthorn Breeders and the Ohio Department of Agriculture are co-sponsors of this event. Our aim and sincere wish is that the Congress Show and Sale will mark a distinctive step of forward progress in the experience of the breeders and their families who are trying to improve beef cattle in general and Polled Shorthorn in particular.

James A. Rhodes
Governor

INFORMATION FOR THE BUYER

PURPLE BLEND CREST - A big, dark red bull with a lot of muscle. He is out of the famous Bonnie Butterfly family that produced the bulls that Oakwood sent to Australia and which in turn produced many of the top Polled Shorthorns there. The half brother to this bull won for us at the 1964 Indiana State Fair and was 2nd at Chicago, and has since been producing a real top set of calves for the Elders.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
